Inspection Technician - Entry Level

Join a growing high tech company to inspect precision components: visually under a microscope; manually with micrometers, calipers, etc; and using computerized test equipment.

Prior inspection or machining experience helpful but not necessary – will train the right individual. Must be able to handle and inspect small parts under a microscope. Computer and math skills (spreadsheet) a plus.

Full time position with benefits: vacation, paid holidays, medical, retirement and profit sharing plan. Day shift only.

Salary commensurate with experience.

Visit Company's web site www.nicoform.com for details.
